It's shocking how fast electronic products (E-Waste) become obsolete. PLEASE do not put these items in your trash as they contain toxic materials not allowed in landfills.

Accepted E-Waste Items Include:

Computer monitors, printers, scanners, keyboards, cables, modems, stereo/ audio systems, MP3 players, DVD/VCR/VHS players, CD players, camcorders, fax machines, personal copiers, telephones, answering machines, cell phones, chargers, PDA's, hair dryers, irons, blenders, video game systems, audio/visual equipment, digital cameras (**\$20 fee for televisions/any size*)

Not Accepted Items Include:

Alkaline (flashlight)/ auto batteries, large appliances, microwaves, smoke detectors, fluorescent tubes, furniture, grills/propane tanks
