

Rural Recycling Drop-Off Centers

*All drop-off recycling centers are open year round 24/7 and are monitored daily

Residential Use Only—**No businesses, schools, churches, etc. please due to limited space & budget**

All of us should be concerned with the "state of our trash." National recycling efforts and stricter disposal laws have helped us clean up our act considerably. However, the average American generates 4.5 pounds of garbage each day and the more we consume, the more we have to "throw away." Please, take time to recycle.

Acceptable Items

PAPER: Office paper, construction paper, newspaper, junk mail, magazines, catalogs, corrugated cardboard, telephone books, and cardboard food boxes.

GLASS: Clear, brown and green glass that previously contained food or beverages. **No broken glass, mirrors, or window glass please!**

STEEL: Any food container (e.g. soup cans, canned vegetables, etc.) It is okay to leave the labels on. **No pots, pans, or bakeware.**

ALUMINUM: Beverage containers (e.g. soda)

PLASTIC: Plastic food & beverage containers with a # 1-7 can be recycled at the centers. Look on the bottom of the container for the chasing arrows symbol. The number inside the arrows represents the type of plastic. **No children's toys, garden hose, storage totes, diapers, pet food bags, plastic or wood pallets.**

DON'T FORGET !

- ⇒ **Cardboard should ALWAYS be flattened** to conserve space in the bins.
- ⇒ **DON'T BAG RECYCABLES**—All recyclable should be loose in the recycling bins to maximize space for others -- no bagged materials.
- ⇒ **All food containers should be rinsed and lids removed.**
